The slopes offer a mix of wide beginner slopes, tough bump runs, a huge bowl, nice cruising runs and a terrain park with jumps, tubes and rails. Whether you are a beginner or a professional, Ski Apache has programs for everyone at every age. If you are taking small children (4+) and this is the first time skiing, Ski Apache offers THE ADVENTURE CENTER which is included in your skiing package. You may choose for your child to go from 9:00 am to 3:30 pm or only for a couple of hours from 1:00 pm to 3:30 pm. Children will be taught how to ski and will be provided a lunch. The ski rental is also included.

Disneyland / California Adventure

Enter a magical kingdom where you can sail with pirates, explore exotic jungles, meet fairy-tale princesses, dive under the ocean and rocket through the stars—all in the same day! Disneyland Park is a beloved Southern California destination where generations of families have made their Disney dreams come true. Opened in 1955, Walt Disney's original theme park is divided into 8 extravagantly themed lands—Main Street, U.S.A., Tomorrowland, Fantasyland, Mickey's Toontown, Frontierland, Critter Country, New Orleans Square and Adventureland. Don't forget to watch Fantasmic! The forces of good and evil battle in Mickey's dream during this extravagant musical, pyrotechnic spectacular! Stunning effects erupt against the night sky while Disney Characters join the reverie—as projections on water and in live performances. While Mickey conducts a breathtaking water show on the Rivers of America, his active imagination begins to grow. Using his conductor's wand, he guides whimsical scenes from Fantasia across enormous screens of water—while brilliant sparks burst overhead. Pink elephants, massive puppets, princesses and more surprisingly appear on and around Pirate's Lair on Tom Sawyer Island. When the Evil Queen calls for her Magic Mirror, Mickey's dream takes a dark turn. The forces of evil come out of the shadows as she invokes some of Disney's most dastardly villains—including an impressive, 45-foot, fire breathing beastly dragon! Will Mickey triumph over

this terrifying beast from the depths of his nightmare? Be amazed by Mickey's dream as it builds with high-resolution digital film sequences, music, pyrotechnics, fiber optics, lasers, video projected on water and plenty of special effects. And that's not all! We have included a park hopper ticket so that you may go and visit Disney's California Adventure! Explore 8 exciting lands that bring to life Disney and Pixar stories and characters through amazing attractions, entertainment and dining! The 2 most recent additions—Buena Vista Street and the awe-inspiring Cars Land—join the themed lands of Condor Flats, Grizzly Peak, Paradise Pier, Pacific Wharf, "a bug's land" and Hollywood Land. With so much to do day and night, Disney California Adventure Park has something for every member of your family.
